

Who We Are

About Us

Tembusu Services specialises in compliance and regulatory requirements for licensed persons, licensed firms such as fund management companies, and all types of financial institutions in Asia.

Tembusu Services provides valuable input and offers practical compliance solutions and recommendations to start-up companies looking to be licensed and existing licensed companies helping them in meeting their compliance obligations under relevant regulatory compliance requirements.

Tembusu Services believes a positive compliance culture begins from continuous education. Tembusu Services is an approved institution by Institute of Banking and Finance in Singapore to provide regulatory training to the financial industry. Trainers at Tembusu Services also provided training at Taiwan Academy.

TEMBUSU
SERVICES

Teo Puay Wei

Mr Teo Puay Wei started his career in 2000 has many years of experience overseeing the risk functions, mainly compliance, legal, internal audit, and business risk, in financial institutions which have exposure in Asia Pacific and other global markets. He has also been involved in regulatory developments with various regulators in these markets. He has multiple roles over his career that include a regional risk officer that covers Malaysia, Thailand, Indonesia, Hong Kong, Taiwan, China, Korea, Japan and Australia.

He served as the money laundering reporting officer for the Singapore regional headquarter of a global asset manager. Puay-Wei served as the regional head of the risk division in the global asset manager reporting into the regional board of directors. This risk division comprises of departments in various risk discipline such as business risk, compliance, investment risk, internal audit and legal. He was a key member representing Asia Pacific in the Global Risk Management Committee. He had a 2-year term of becoming the statutory audit supervisor, an independent function, in a Taiwanese registered subsidiary. In his various capacity, he delivered regulatory related trainings and briefings to the key stakeholders. He also led the implementation of risk management framework and investment compliance control system in his organisation. He started Tembusu Services in 2015 to provide compliance consultancy service to financial institutions. He serves in several compliance committees of various financial institutions. Tembusu is now a training provider under Institute of Banking and Finance (“IBF”).

Puay Wei graduated with a Diploma in Banking and Financial Services and a BSc (Hons) in Finance. He attained a Diploma in Compliance from International Compliance Association. He was certified as IBF Advanced practitioner in Capital Markets by the Institute of Banking and Finance. More recently, he completed an executive leadership development program at INSEAD and received the Diploma in Directorship at Singapore Institute of Directors and Singapore Management University.
